We Dedicate

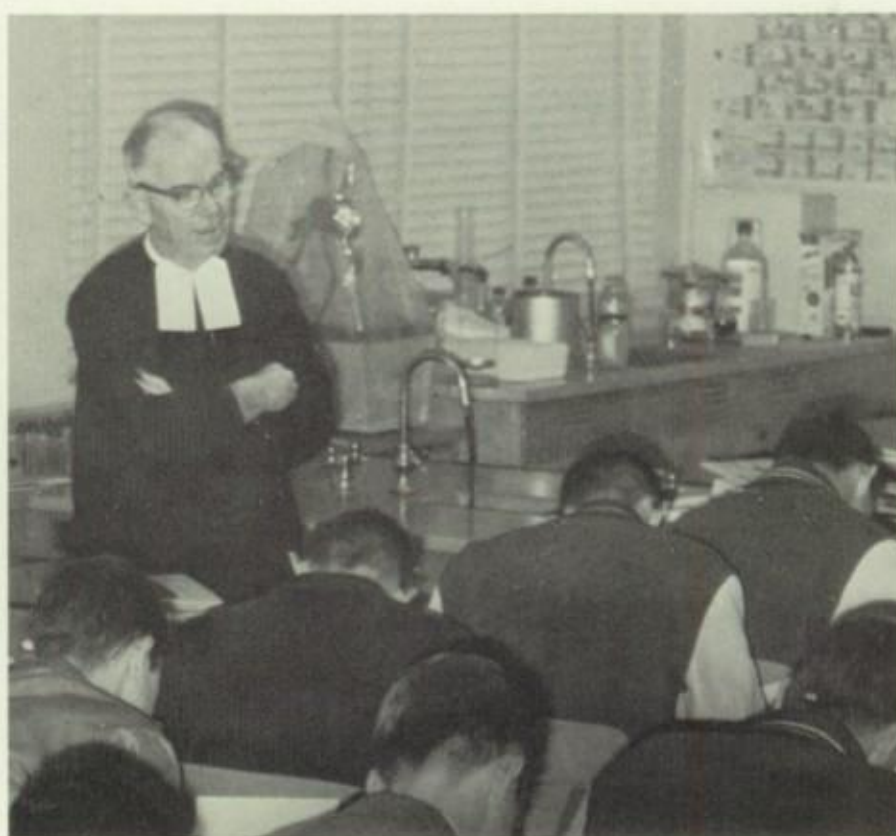

. . . our annual to Brother Wilfrid. As the one teacher who taught all the Seniors he enjoys a unique position; he is known by the entire class. This in itself makes him a fitting choice for our dedication. But notoriety doesn't entitle one to special honor, other qualities are necessary. Brother Wilfrid has been well-liked by everyone who has known him and we Seniors are not the only people who have benefitted by knowing him, there have been many classes ahead of us. But we can't overlook the fact that Brother is a good teacher. He made Chemistry one of the most enjoyable and interesting of our classes. He always had an example to illustrate his point, or an experiment to supplement the course. And he was always willing to help anyone who needed it. He cannot be called melancholic for he is continuously chuckling about something, his humor is unexpected and alive and he is infectiously good natured. We may forget his jokes and his anecdotes, and most of us will probably forget his Chemistry lessons, but we will always remember his smile.

TEACHERS OF MANLINESS

Brother Stephen Martin F.S.C., M.A.

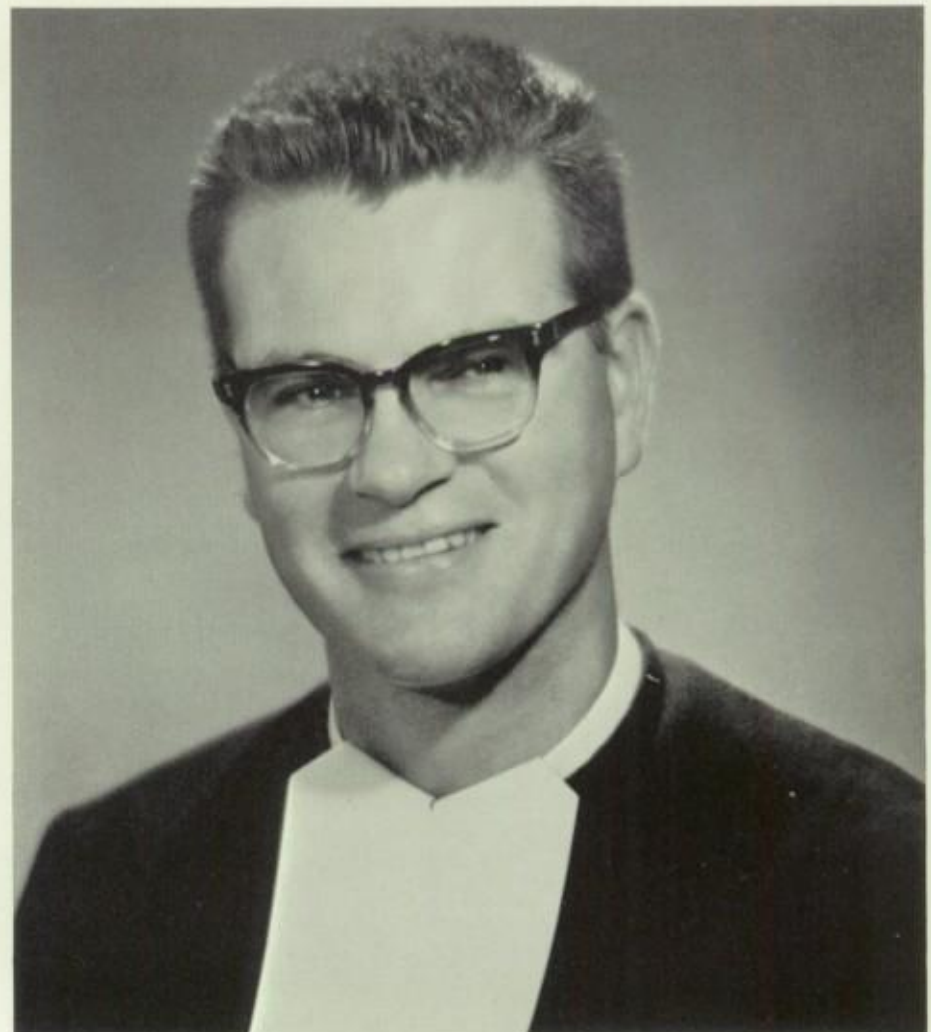

University of California
Principal

Growth is the standard of the contemporary world. Yet growth without direction is neither rational nor especially profitable. La Salle High School is new. It was founded in 1956 and when it had solidified sufficiently Brother Celestine turned over the administration to Brother Stephen Martin. The school was firmly based but not stagnant. La Salle was vigorous and in the hands of a vigorous young principal. It has remained for him to guide the earnest spirit into the proper academic and spiritual channels. Under his leadership we have added new sports, improved in old ones, increased our academic standing, been evaluated by Western Universities and now we are going to expand. No longer is the growth of La Salle to be experienced in metaphysical spheres, but there will be a physical manifestation of our growth. The man directing this project is Brother Martin, and on the basis of his accomplishments, the future of La Salle is secure and promises to be even greater than the past.

Brother Thomas Bede F.S.C., M.A.

Mount St. Mary's College
Vice-Principal

Few activities seem more solemn than being Dean of Discipline. After several months of continuous disciplinary duties a person could be expected to become cold and overbearing. It is an exceptional man who can discharge his official duties with obvious success and still maintain a closeness with his subordinates. Brother Bede is such a man. Not only is he active in his official capacity at La Salle, but he also conducts the political science seminar. Also illustrative of his interest in the students is his encouragement of the Precinct Work on Election Night. He is certainly, and most fortunately, not of the stereotyped class of school officials we invariably picture when pondering a high school vice-principal. If he was, he would not be here. La Salle is not a narrow philosophied institution, neither is there room for a rule-reading, iron-fisted, close-minded judge on the faculty. La Salle is young and vigorous and the administration reflects this image.

PROUD OF OUR DIGNITY

Don Randolph, Student Body President

You ask what we foresee and frankly most of us don't know. We are caught in a world that is outgrowing itself. Technology surpasses comprehension and religion assumes an inferior role in a world of self-analysis and self-direction.

So we are born, alone, and grow. And we see that what we are becoming is what we will be. Learning takes place. Watching. Evaluating. Remembering. But it is not all so stoic or passive. We practice; we do.

There is less time now. Childhood is only the prologue to adult sophistication. When a high school senior takes part in student government he is no longer playing, he is expressing reality. Leadership must be developed, only it is being put to use almost before it is discovered. But we are a new generation and this is the way we are, and we thrive.

Proud of Our Dignity

John Higgins, Treasurer

John Keese (in Junior jacket), the S.B. vice-president, and other members of the Student Council listen as S.B. President Don Randolph reads the meeting's agenda.

Reading the minutes, Rick Riccobono is followed on ditto copies by homeroom representative Paul Wood and by Don Randolph, presiding.

At left, Senior Class President Tom Powers confers with Don concerning the Folk Concert. Also being discussed are points of parliamentary procedure, but this time Tom is listening.

Student government is not the only area in which leadership is displayed. Academic and athletic leadership are equal in importance. Outstanding in the academic sphere are the Seniors shown at right and below.

Above are four of La Salle's five Finalists in National Merit Competition. They are Anthony Finnerty, James Blackstock, Thomas Faherty, and Thomas Powers, the other finalist was John Crawford.

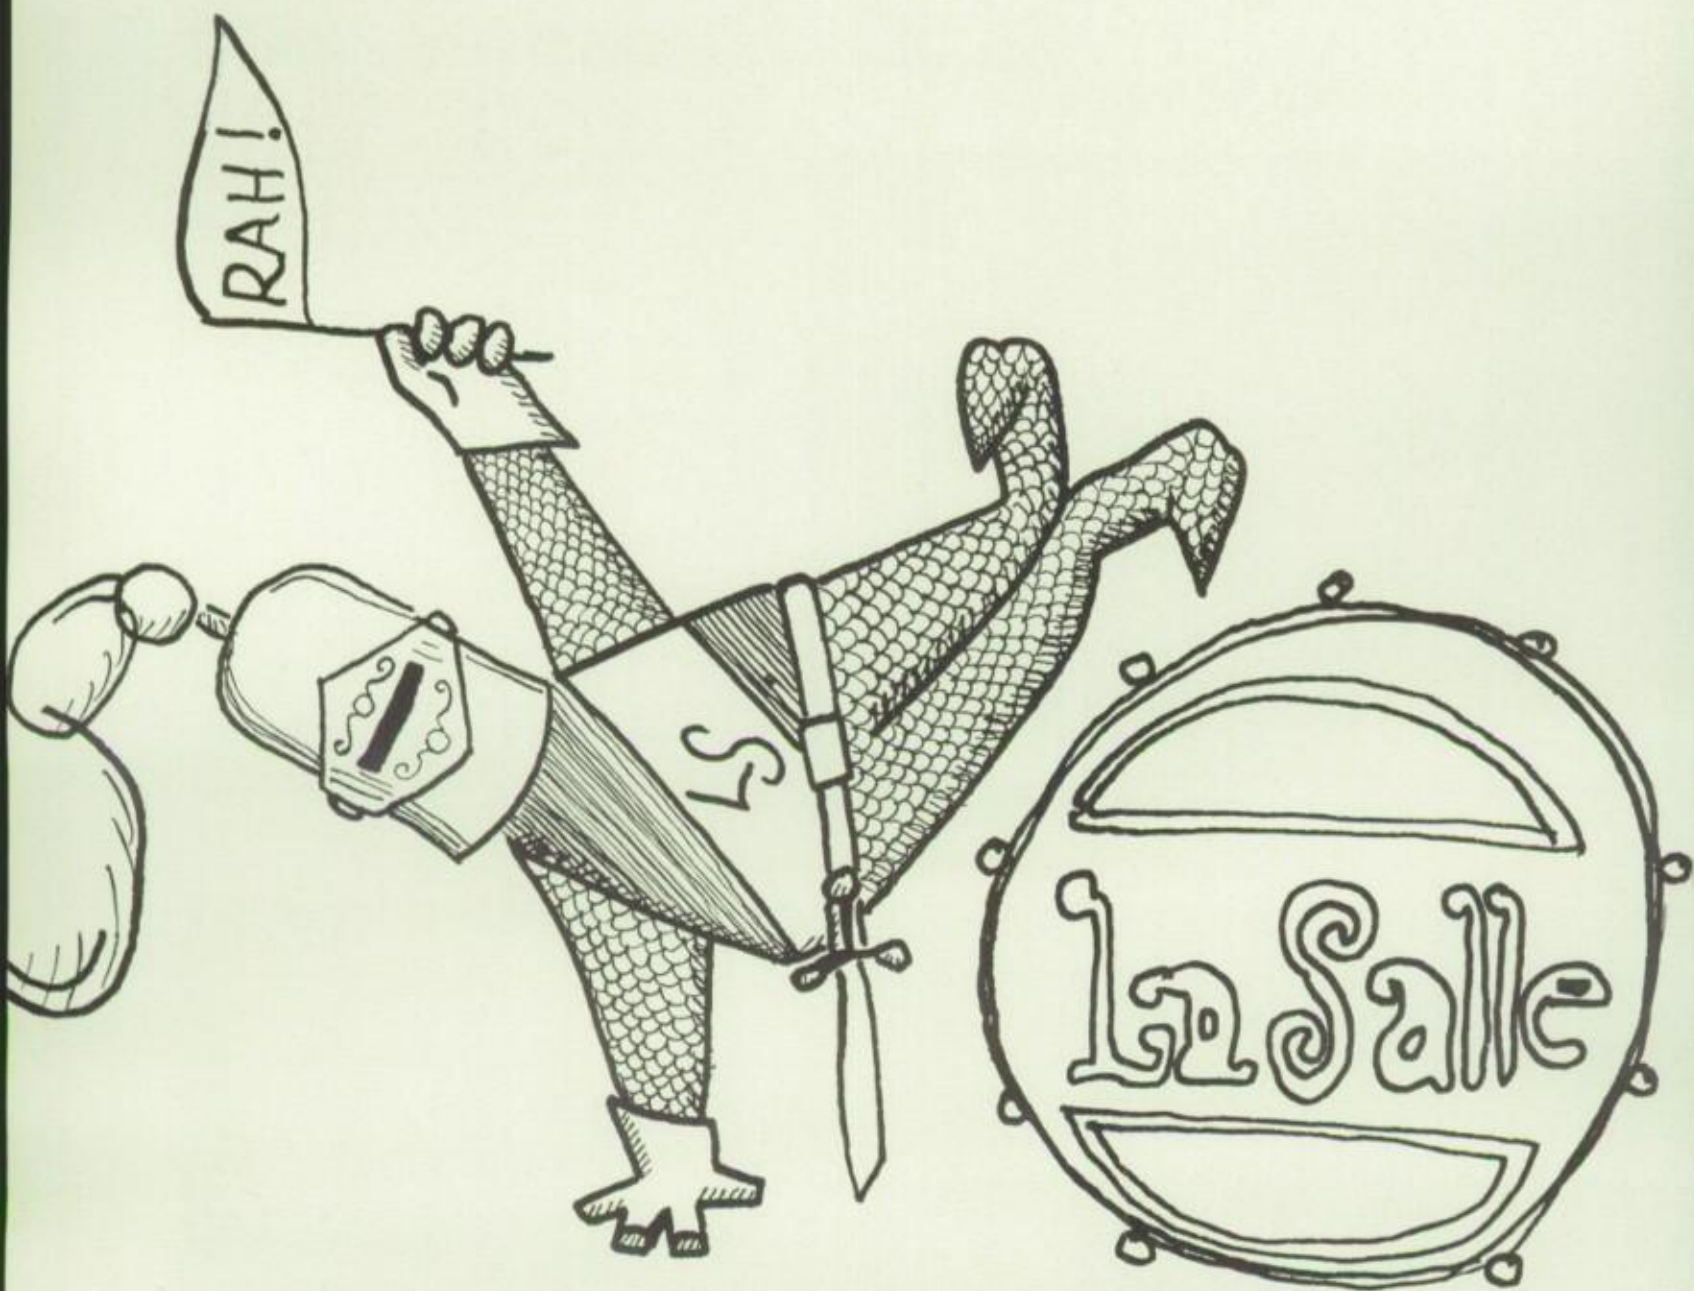

Most of the semi-finalists in State Scholarship competition are (l. to r.) Bob Mallek, Jim Blackstock, Gary Drear, Jack Siefker, Steve Ready, Tony Finnerty, Jay Ziegler, Bob Trout, Jim Martorana, Tom Powers, Greg Figueroa, Terry Slavin, and Tom Faherty. Not pictured are Gary Clarke, and John Crawford.

Brother M. Martin and Mrs. Taillac explain office operations to Brother Phillip, a Math teacher recently from Cathedral High School.

Brother Ernest, also newly assigned at the semester break, inscribes a line of English on the board for his class.

HONOR THEE LA SALLE

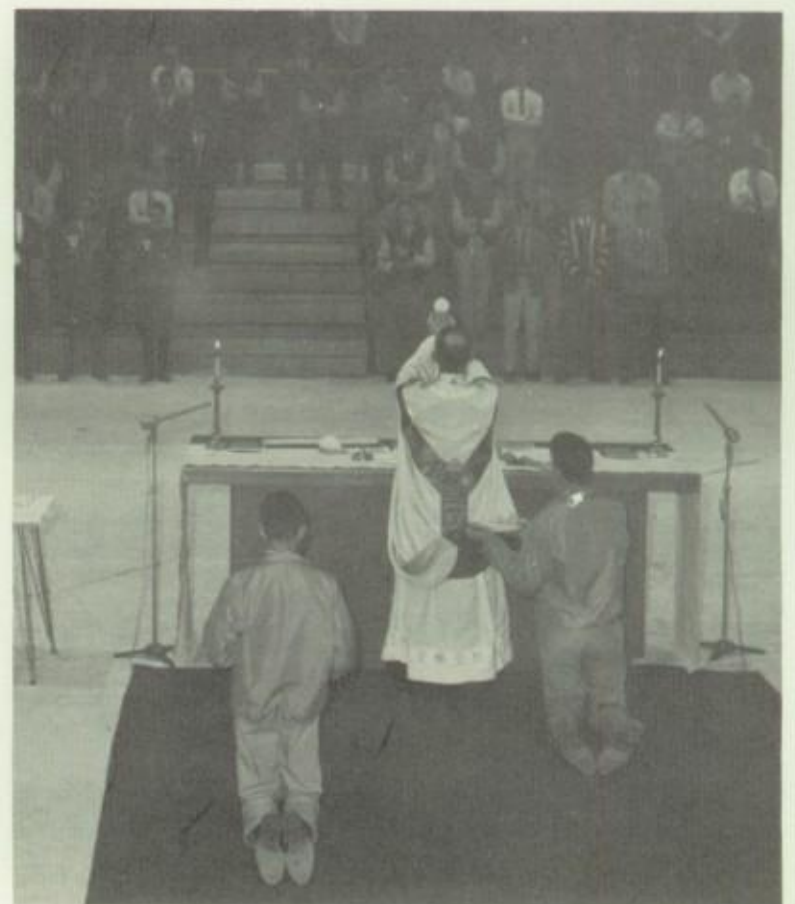

Three Juniors bring the bread and wine and water for the Offertory in the new Mass. Servers are Bill Woodard and Mike Hardy.

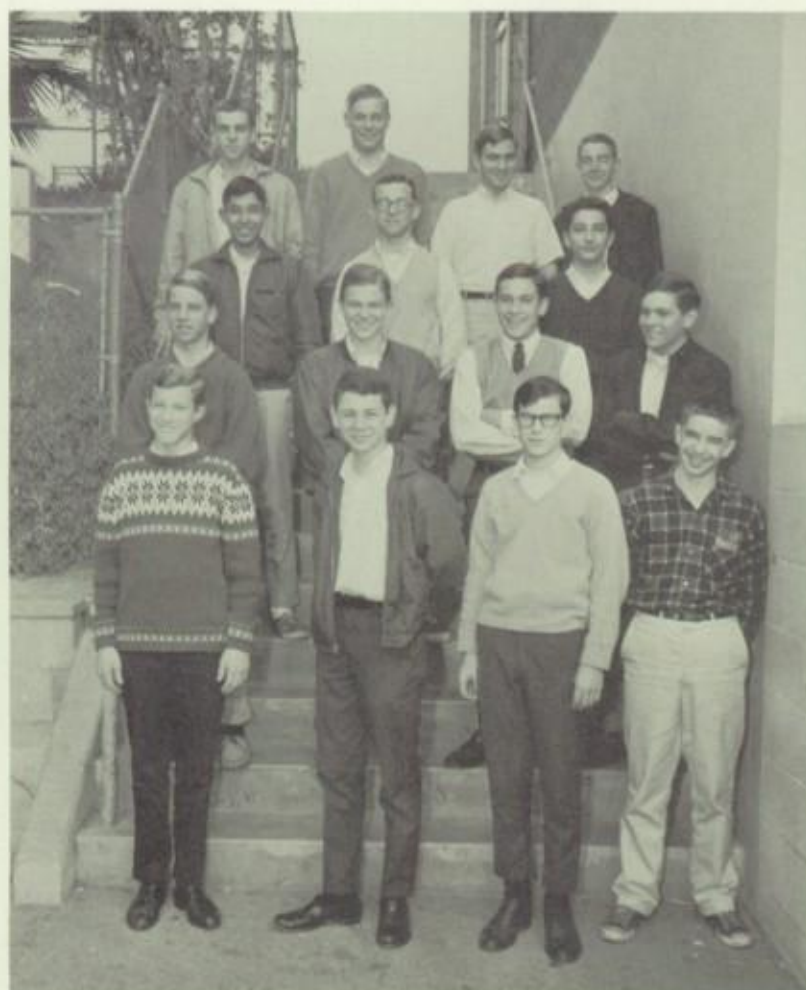

Father Andre distributes Communion during Student Body Mass.

We Offer

"This is my Body."

Posing in front of the "fountain" are "wise fools" Bob Wiedenfeld, Dave Wiemer, Harry Reinholtz, Pete Seymour; (second row) Dusty Schaefer, Frank Zwart, Denny Sweeney, John Wright, Dan Rieder; (third row) Mike Stemmler, Charlie Mispagel, Armand Tanguay, Jim Ready, Harry Reinholtz, Doug Rakich.

Pictured at left on their way to Phys Ed class are Sophomores (l. to r.) Steve Carberry, Tom Anthony, Brian Conner, Joe McKenna; (second row) Bob Maitino, Hank Kratzer, Bob Tesseri, Bob Waite; (third row) Eloy Ituarte, Reno Galassi, Charlie Clarke; (top) John Ward, Jim Quandt, Rod Sullo, Bill McCaffrey.

Sophomores

The group of Sophomores at right was found waiting in front of the gym for their pictures. Upon being questioned they revealed that they had been waiting since December thirty-first for the Rose Parade. These hardy souls are: Steve Johnson, Ken Simonian, Joe Feeney, Tom Johnson, Pete Luiten; and (standing) Steve Junak, Tim Steinmeier, Rob Matheny, Brian Kneier, Jeff Kirst, Gary Garrison, Kevin McCloud, Steve Fuoco, Warren Fox, Billy Green.

Senior Class

presents . . .

The Dillards

and

Danny Cox

Amusing the audience with his sharp wit and delighting them with his powerful folk singing was the curtain raiser of the program, Danny Cox.

"You said I could play my harmonica?" asks Rodney Dillard of Mitchell Jayne between songs in the crowded auditorium.

"Do-oley gimme a swaller and I'll pay you back some day." The fine banjo and mandolin work of Douglas Dillard and Dean Webb highlighted the evening.

Frosh

Awatiing the Dillards and guarding their places in the gym are: J. Dalton, M. Bell, J. Berechi, M. Evans, G. Clark, T. Barker, D. Dignam, D. Daltorio, D. Dorazio, D. Daniels, D. Colbert, T. Eshom, H. Cotter, D. Barnett, D. Callagly.

Back to front: H. McLean, J. Spurbeck, J. Wright, C. Scheller, J. Slavin, P. Tellez, T. McAdams, M. McInerney, C. Martain, C. LeBeau, J. Specht, E. Schwartz, R. Marchoski, J. Townsend, B. Martin come down the stairs to get tickets for the folk concert.

Freshmen standing below are: M. Mickels, P. Wood, D. Smith, M. Malloy, T. Lindville, J. Palmers, S. Strube, F. Warner, B. VanKuran, M. Sabo, R. Lee, M. Porter, E. Parnell, E. Lieber.

During the band break at the Jazz Festival the Seniors provided entertainers in the form of the "Apperson Jackrabbits."

Frank Fimbres demonstrated some of the finer points of modern dance at a sock hop.

In the picture at bottom right Mike Kenny leads a line of dancers in the "Minnesota Stomp" after the P.C. night rally.

If you can't beat 'em join 'em. Thus this St. Francis booster was forced to enjoy a L.S. sock hop.

We Dig That Rock Or Who Says We Fit?

Highlight of the Sno-Ball was the Student Council's special guest Santa Claus.

And Roll Music

It was the Senior Jazz Festival so Gary Drean and Pete Kelley figured they had the run of the place. You've gotta expect weird things in a speakeasy.

Aren't Physically

Although they didn't seem to know it the floor of the cafeteria doesn't really tilt. The gentlemen are Tom Gaffney, Jim Hession, Rich Callaghan, John Higgins, Don Randolph, John Crawford, "Fabe" Gormican, Wayne Steel, Ben Schmidt, Frank Genovese, and Paul Maurin.

At the Lance Dance a roving photog caught Gary Clarke in an expression we're still not sure is printable. Naturally we printed it.

La Salle's Social Committee poses in their storage room and workshop. The members scattered among the treasure they have collected over the years are Bob Mallek, Tim Sullivan, "Weerd" Harold, Nick Rott, Tom Faherty. The director is not a member, but his name is Mike Gormican anyway.

Social Committee

The duty of the Social Committee being to decorate for dances, the members spend all their time preparing props. In the picture at right we see "Weerd," E. Nicholas, Chairman Faherty, Tim, and "Fabe" (the lizard) Gormican preparing a corpse for the Pep Council Fire Orgy.

One of the more sensible activities of the committee is the manufacture of advertising posters. Here Tom Faherty removes an ad for the Honor Society Dance. Bob Harold and Tim Sullivan render worthwhile assistance.

A volunteer group, the Veritas members give free time to teach underprivileged boys from Five Acres. The members seated are: Mike Paulson, Armand Tanguay, Rob Robertson, Ty Gaffney, Dave Devaney, Ed Collins, Jeff Weigand, Bert Brown. Standing are: Rick Riccobono, Tom Johnson, Pat Tahl, Tom Coston, Martin McGrath, Bob Rios, Ron Sanchez, Frank Marino, Eloy Ituarte, Ned Bennet.

Music Forum

The La Salle Music Forum encourages enjoyment of fine music by providing group tickets to Philharmonic concerts. Seated l. to r. the members are Mike Paulson, Eugene Elerding, Rob Kenz, Tom Eshom. Second row: Steve Gettinger, Tom Johnson, Frank Marino, Bob Hession. Third row: Jim Hession, Brent McAdam, Jim Tognieri, Sean R. Murphy.

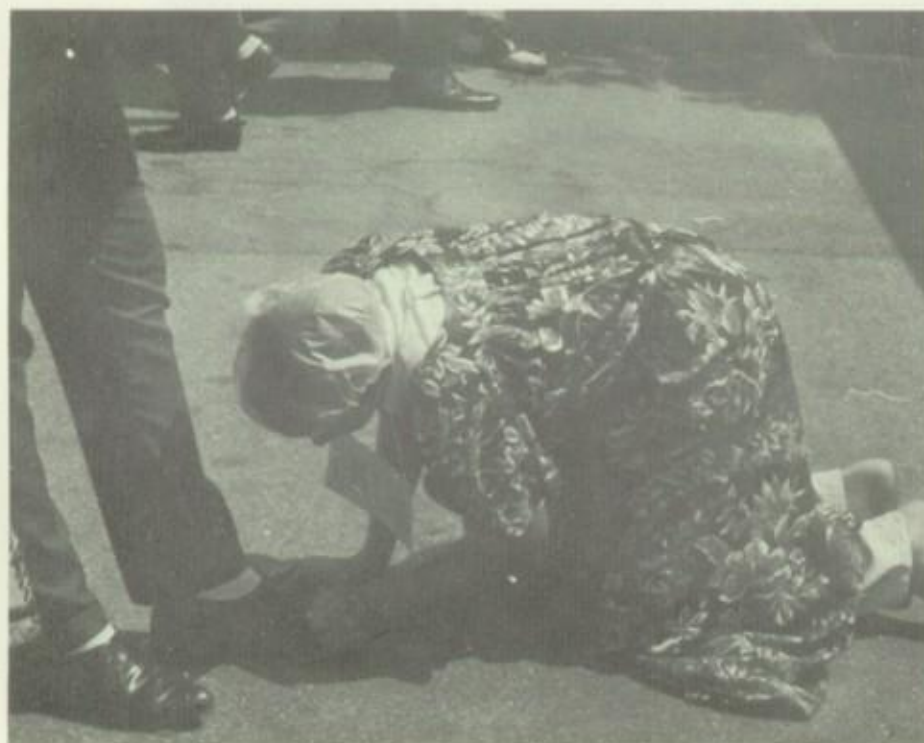

Library Aides

Policing and organizing the library are Armand Tanguay, Bert Brown, Frank Zwart, Eloy Ituarte, Frank Zeeman, Steve Salem.

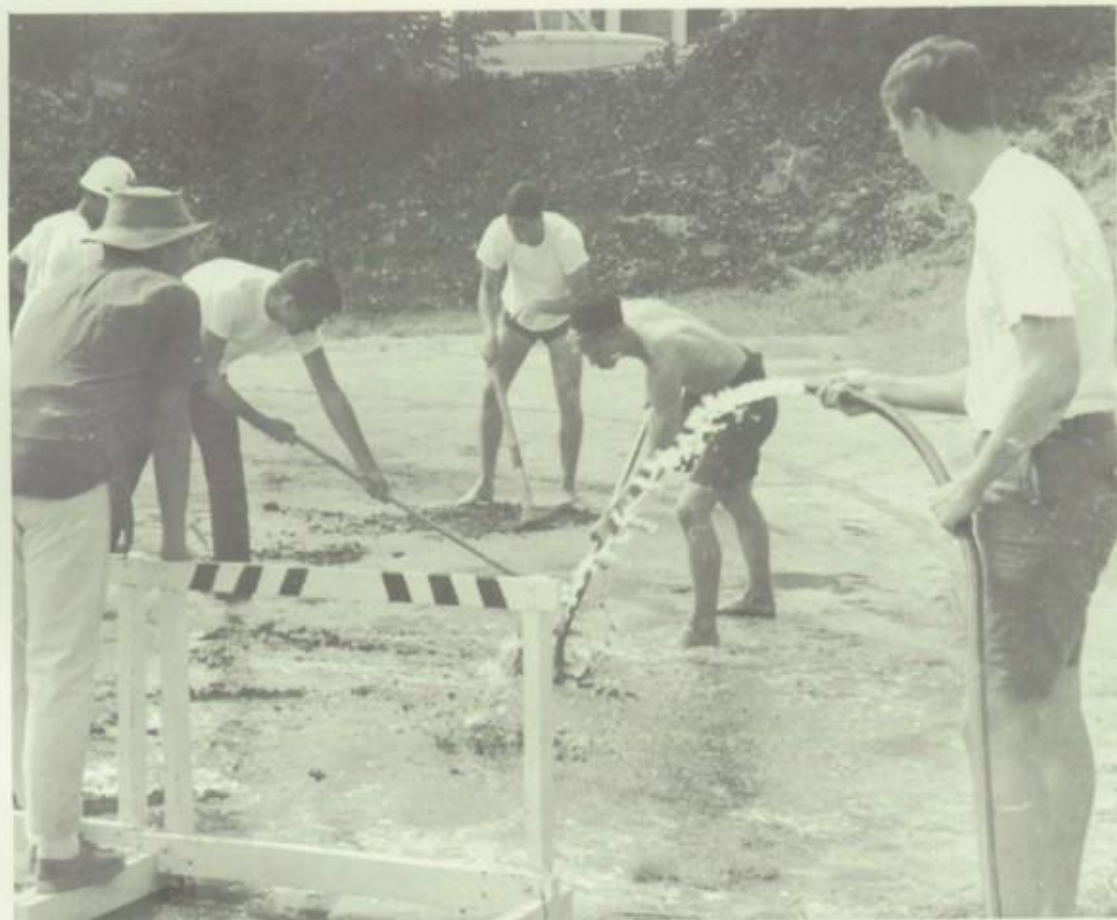

The Seniors Kindly Reign

Captured forever on film is this most humble and groveling freshman in the performance of a most cherished duty, that of cleaning a Senior's shoes.

"I believe it's the backstroke, Sir."

Three Seniors, Tim MacDonaugh, Jerry Cotter, and Bert Becker, spare no pains in kindly preparing the track for the Soph-Frosh steeple-chase.

Slithering through the mud hole are a lowly Frosh and Soph John Blackstock; Mike Manning supervises the proceedings.

To Welcome The Freshmen

The Senior Class, desiring to aid economic growth and insure the prosperous development of President Johnson's "Great Society," is preparing a crop of pre-trained American gardeners to be sent to Japan in a cultural exchange. Dave Kennelly oversees this group.

THE RED AND BLUE

Brother Anthony,

Crawford, T. Slavin, T. Faherty, S. Ready, M. Roosevelt, and P. Kelley.

Mark Of Excellence

It has been said that man cannot learn by books alone. Never has this been so true as it is for today's student.

The La Salle Chapter of the National Honor Society sees this and tries to form the shape of the student's personal integrity. Being a member of the Society means not merely a mark on a transcript but a mark of excellence. This academic excellence is augmented by the Honor Society through cultural activities in the forms of visits to college campuses, and attendance at legitimate stage productions. Within the confines of La Salle, the National Honor Society enlarges the academic spectrum through an established Honor Roll program. The school newsletter, published by the Society, keeps parents abreast of school activities.

Indeed, man cannot learn by books alone. This "second education" is the goal of the La Salle Honor Society.

Bob Harold, Mike Kelley, President, Pete Barker and Jim O'Leary are the Honor Society's officers.

National Honor Society Junior members are: (kneeling) J. Winter, S. Salem, W. Koenig, T. Kelley, J. Tognieri, S. Brown, S. Gettinger, J. Jagielski, D. Velling; (standing) R. Clarke, S. Murphy, P. O'Donnell, D. Buccola, G. Geare, G. Matthews, T. Heney, L. Bolton, G. Nelson, B. Boland, M. Curran, A. Fox, M. Murray, T. Mulqueen, B. McAdam, J. Keese, M. Plummer, P. Hagaraty, W. Meskell, B. MacIntosh, J. Kelley.

Math and Science Club '65 version members are: D. DeVaney, C. Cox, H. Bruensteiner, V. Ramirez, R. Bourque, G. Nelson, F. Zwart, G. Matthews, Spud Murphy, D. Weinstein, F. Zeeman, T. Klein, Mr. Erpelding, moderator and the club's project advisor, T. Faherty, A. Finnerty, P. O'Shea, R. Trout, B. McKenna, B. Jagielski, D. Colbert, J. Siefker.

Math and Science Club

To provide an atmosphere in which the interested and creative student can expand his abilities is, first and foremost, the aim of the Math and Science Club. One means to this end is the encouragement of originality in the science projects which are shown at an annual science fair.

Besides being of benefit to its members, the club has also initiated a program of a yearly club project of benefit to the school. These devices would be something which would be both unusual and useful. In addition, the club has broadened its scope of activities through various field trips to important industrial centers in the surrounding area; through lectures by noted scientists and engineers; and through educational movies which are shown free of charge to all interested members of the Student Body.

The Math and Science Club, under the active leadership of Anthony Finnerty, can, indeed, count this past scholastic year as one of growth, vigor, and service to La Salle.

Production staffers and actors are above (l. to r., kneeling) S. Boggs, J. Nunan, C. Moun-
teer, Paul Ross, P. Davis, S. Germain, T. Westfall, D. Devaney. Standing are: Dave Mc-
Donald, T. Heney, J. Borecki, J. Crawford, T. Pike, T. Armst, D. Sorges, J. Martorana, L.
Bolton, L. LaPatka, P. Barker, P. Lindley, B. Klute, T. Wren, Sean P. Murphy, T. Abts, and
P. Walsh.

The Drama Club

Fred Beaucar (center), the President of the Club reviews the production of "No Time For Sergeants" with the other officers Pete Barker and John Westfall. The presentation continued in the pattern of ever better and more suc-
cessful Drama Club offerings.

In their first appearance before the camera the stage crew members are: (l. to r.) F. Beau-
car, L. Lapatka, W. Bartolme, David Weimer, W. Slavin, P. Walsh, S. Kelle, T. Halladay,
J. Gendron, D. Sorges, T. Priest, T. Faherty, T. McGrath, M. Cotter, J. Barker, D. Dignum,
T. Slavin, R. Slavin, G. Lega.

Mr. Robert Alcorn, the amazingly successful director of all the past drama productions, gestures as he instructs his actors in their roles.

Thom Pike runs through a barracks scene with Bill Woodard.

Pike is taken aback by a comment from one of his "army buddies" during rehearsal of a scene from "No Time For Sergeants."

Rallye 'Round Math and Science

At left: Rallye Master Jack Siefker starts Mike Roosevelt who, with Tom Faherty, took second place in the Rallye.

Below: Howard Bruensteiner, the overall winner, is seen taking an acute corner in his Hillman.

In seeking to better its status in the student body the Math and Science Club has been one of the most active and original clubs in the school. After designing and building a photo-electric timing system for the track they decided to enter another phase of sports, sports car driving. On March 21, the club sponsored the first rallye in La Salle History.

Using a Ford Mustang, the official Rallye Car, the officers plotted a difficult 50 mile course for the 2 1/2 hour Rallye. When the penalty points were added up the team of Breunsteiner/Hanson was awarded First Overall. Second place went to the team of Roosevelt/Faherty in an MG Midget. Third was garnered by Willet/Willet in a Corvair.

Sophomores eagerly awaiting the Math and Science Rallye are: D. Moore, T. Shortell, J. Marino, D. Cudlip, M. Crain, D. Wiebe, J. Ray, P. Moore, J. Scheffing, A. Moorehart.

Class of

Some future members of the Drama Club's staff are Freshmen: Bottom row, B. Harper, J. Conroy, G. Francis, M. Page, P. Hoffman, M. Horn. Top row, T. Hegarty, M. Healy, J. Comerford, J. Grimes, D. Hendrickson, K. Hurley, J. Krouse, J. Miller, J. McManus.

Service to La Salle, is the byword of the Varsity Club, which has, this year, undergone a complete renovation by Tim MacDonough, president, and Brother A. Brian, moderator. Besides changing the name of the club from Lettermen's Club to the Varsity Club they have become even more active in school functions. Among the many services rendered are ushering at both athletic and social functions during the year, the printing of programs for the basketball season, running the concession stands in the gym and sponsoring both a sock hop and the annual Grammar School Basketball Tourney.

The duties that the Varsity Club shouldered successfully, this year, has again proven that it is a club which requires of its members both athletic prowess and a willingness to serve.

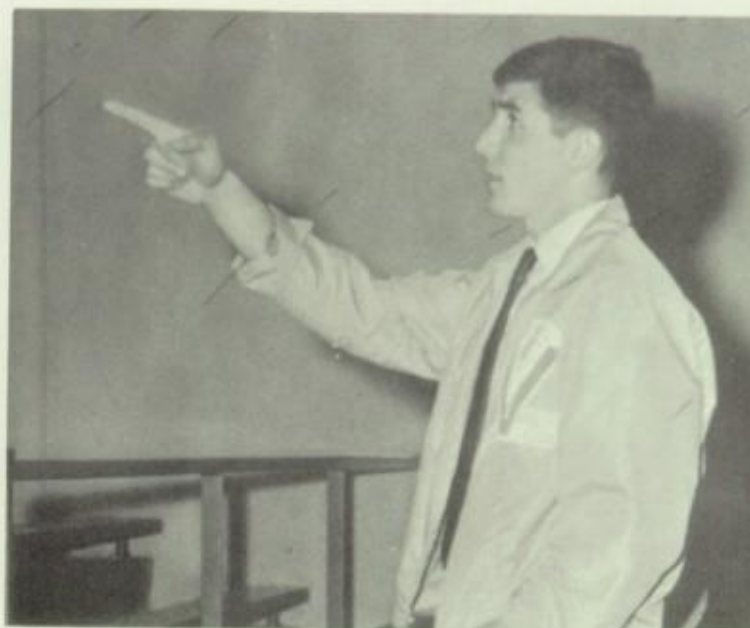

Athletic Ability Fosters . . .

Serving as ushers is one of the Varsity Club's services, here John Slavin is seen quieting some especially unruly Juniors.

Louie De La Paz directs the Sophomores to their places prior to student body Mass.

Organized several years ago, the Pep Council has used as its goal increased student participation and enthusiasm for athletics and other student activities. This year, in particular, the Council has worked ceaselessly in building up and organizing the best cheering section in the Santa Fe League. Other activities included the annual Night Rally and Sock Hop to kick off the basketball season, and lunch time rallies before important basketball games.

One of the most active clubs in the school, the Pep Council has been and will continue to be the untiring champion of the true spirit of La Salle.

Marty Kneir, Junior Cheerleader, leads the students in "Beat the Brownies" as Dan Buccola and friends unroll the pep banner.

Pete Kelley is carried away by the thunderous response of the cheering section during the St. Francis "B" game.

... Strong School Spirit

An illustrious assemblage has gathered to mourn the passing of St. Francis undefeated season. Pep Council members are: Dan Buccola, Dick Connor, "Preacher Tom" Faherty, Wayne Steel, Rick Riccobono, Terry "the ax" Slavin, Gary Drear, "Wide-Eyed Walt" Meskill, the man from Labatts, Brad Boland, Mike Roosevelt, Tim Sullivan, "Sorrowful Don" Randolph, Ned Bennett, Bob Robertson, supply sergeant Clark Rose, Brother "above it all" Raphael, and Pete "Casual" Kelley. The about-to-become-corpse is Dan Rose.

The Glee Club

Under the direction of Brother Harold the Glee Club has completed another successful year. The annual Christmas Concert was produced this year in connection with the Alverno Heights choral group and began the Yule on a merry note. Preceding the Concert the Glee Club performed in Sierra Madre and in a sneak preview for the parents. The singing ones finished the season with Spring Showcase IV even a bigger hit than its predecessors.

The French Club

The French Club under the direction of Mr. Alcorn fosters the cultural and intellectual growth of the French language students at La Salle. By conversing in French the members gain facility in the tongue. By providing ample opportunities to express creativity the Club continues in the students interest and makes French an influential language at La Salle.

These colleagues in the Club are: Bob Maitino, John Hart, Dennis Sweeney, Conrad Bodai, Jim DeQuatro, Dave DeVaney, R. Galassi, Walt Brown, Alan Fox, Frank Zeeman, Doug Rakich, Allen Sielen, Don Randolph, and Ty Gaffney.

(At left) President Rick Huntley (standing on right) explains the F.A.F. program to committee heads Jim Blackstock, Louis DeLaPaz, Pat Walsh, Gary Clarke, and Terry Slavin.

Under the capable direction of its president, Rick Huntley, and its moderator, Br. T. Harold, the Fine Arts Forum has continued to take tremendous strides in its effort to bring an appreciation of the fine arts to La Salle. The Forum was responsible for the fine exhibitions of the works of local artists, which appeared at La Salle throughout the entire year; as well as the bulletin boards which constantly teemed with information concerning all types of cultural activities. Going one step further, the F.A.F. made tickets available to many of these events, and it was under Forum leadership that a sizable portion of the Student Body saw Johnny Mathis at the Greek Theatre, and "My Fair Lady" at the Egyptian theatre. All of this work was done by a comparatively small but hardworking number of students.

In the spring, however, the Forum embarked on an ambitious new program. With the addition of many new members, the F.A.F. set up a workshop system. This innovation greatly increased the efficiency of the Forum in its attempt to enrich the students. It was also during this semester that the Fine Arts Forum sponsored the Panic-a-Go-Go, featuring professional entertainment, which was easily counted among the better, if not, the year's best dance.

It is with pride and a sense of accomplishment that the Fine Arts Forum can review the '64-'65 school year.

F.A.F. members Tim Heney and Larry Bolton arrange the downstairs bulletin board.

Too Often Overlooked, So Much Relied Upon... *The Parents Association*

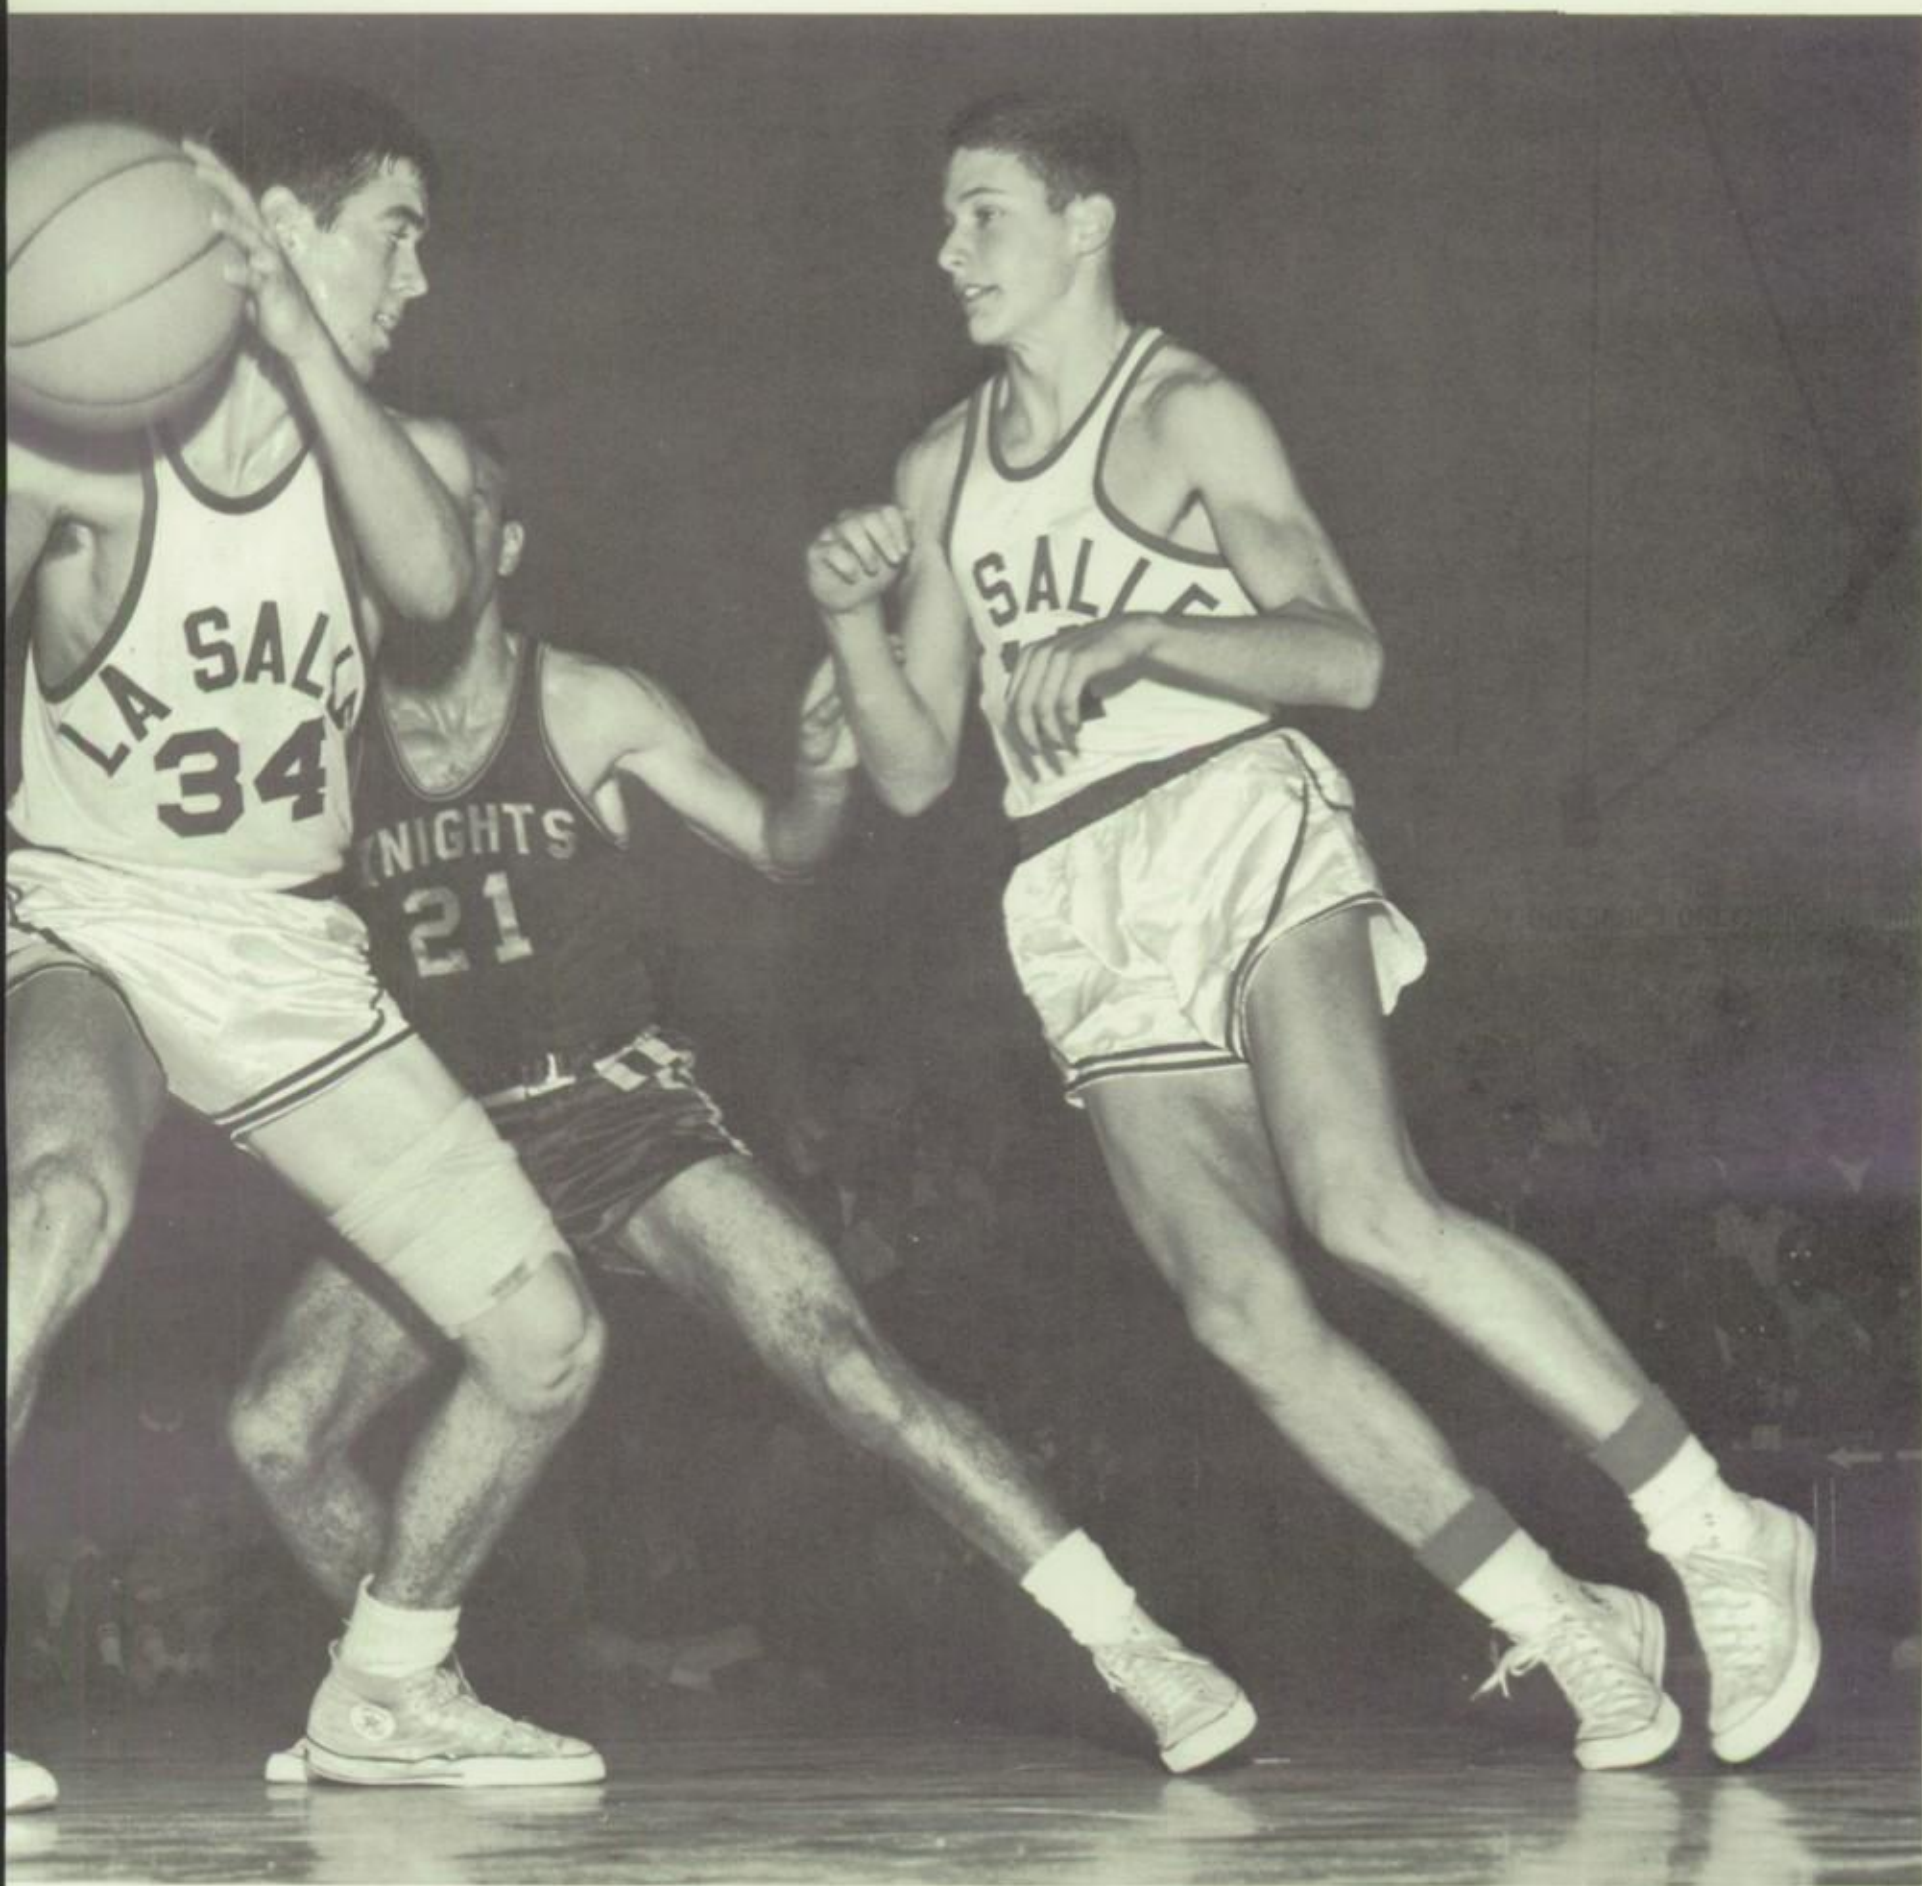

Brother Harold meets with some interested parents during the pre-meeting discussion period.

The Parents Association continues to be, now as in the past, one of the most important forces in or around La Salle. Through the organization parents are made aware of the philosophy of the school, its curriculum, teaching procedures, and most assuredly its problems.

It is the parents who wind up as benefactors for almost everything at La Salle. In the past it was the parents who "built" the gym and although nothing as immediately visible has arisen since, the parents are continually called on to contribute to innumerable funds. It is this steady stream of parental assistance which makes La Salle so successful.

PROUD OF OUR HERITAGE

Mr. Mel Hawkins, who promises to be one of La Salle's most successful coaches, explains the course to his squad prior to a dual meet.

Upon the conclusion of this year's most successful season of cross-country, Mr. Hawkins' runners have come to be respected as top competitors in the Small School's division of the C. I. F. Paced by the able running of John Slavin, George Cabot and Mike Hardy, along with Mike Stemmler, Frank Fimbres and Alan Fox, the six man Varsity squad knew defeat on only two occasions of their dual meet contentions, were undefeated in Santa Fe league dual meets, and the Varsity, along with an able body of fine J. V. and frosh-soph runners, won their first undisputed championship in triplicate. Taking their winning ways to Mt. S. A. C. Invitational run the squad returned with one team championship and four individual awards and continued on to place a very respectable third in the final C. I. F. meet. With titles in all three divisions of league competition and five returning Varsity lettermen, La Salle cross-country looks to its first completely undefeated season to be highlighted by a C. I. F. championship.

La Salle:

Frank Fimbres and Mike Stemmler lead the field and, as usual this season come home first in a Lancer victory.

Here again La Salle's barefoot boys lead the pack as at least six other schools trail.

The Water Polo team, hampered this year by a lack of Senior participation and, more importantly, by the lack of a suitable pool to practice in, finished the season with a 0 and 10 record. Next year the team will be considerably more able to hold its own since a large number of players will be returning. While losing all their games the Lancers shone quite well against San Marino, the defending C.I.F. champions, in dropping a close decision by one point. The Bee and Cee teams finished ahead and it is hoped that next year's varsity can draw from their experienced players.

Wayne Bartolme shoots for the Lancer Varsity.

Cee team members include Tom Zierk, Joe Feeney, Coach Gruber, Ken Simonian, Brian Kneier, Tom Hagerty; (sitting) John Beneke, Tony DeClue, Pete Luiten.

Coach Caudillo analyzes the situation during a time out as the tense Lancers rest in the St. Francis "gym."

It's the story of the game as St. Francis' center stuffs Mike Curran in our away loss to the Knights.

John Keese carefully deposits one basketball in the proper receptacle. It's a sure two points since this is a shot Keese never missed.

Jerry Cotter in the 77-56 at home win over Mission only hinted at what he would do to St. Francis when he got a chance.
